Give the gift of a meal:

If you or anyone you know is in need of a night free of cooking or a break from the outside world, consider the ease of gifting a night in with a Roots gift card.

Promotionally, we are offering a free \$20 gift card for every \$100 gift card purchased, which would cover an evening catered by Roots To Go, for example, for a family of 4 (not inclusive of tax). Alternatively, when the social distancing requirements are lifted, the gift holder can join us at the restaurant or on the patio (weather permitting) to redeem the value of their gift cards.
